

Petition

To the Legislative Assembly of Ontario

WHEREAS Ontario’s social assistance rates are well below Canada’s official Market Basket Measure Poverty Line and far from adequate to cover the rising costs of food and rent: \$733 for individuals on Ontario Works (OW) and \$1308 for ODSP;

Aislinn Clancy, MPP
Kitchener Centre

WHEREAS an Open Letter to the Premier and two Cabinet Ministers, signed by over 230 organizations, recommends that social assistance rates be doubled for both OW and ODSP;

WHEREAS small increases to ODSP have still left these citizens below the poverty line, both they and those receiving the frozen OW rates are struggling to survive at this time of alarming inflation;

WHEREAS the Government of Canada recognized in its CERB Program that a ‘basic income’ of \$2,000 per month was the standard support required by individuals who lost their employment during the pandemic;

We, the undersigned citizens of Ontario, petition the Legislative Assembly to double social assistance rates for OW and ODSP
